

Great news for all Amadeus Subscribers.....!!

Qatar Airways has been successfully implemented on Amadeus Dynamic Availability!!!!

- QATAR AIRWAYS AVAILABILITY IS NOW OBTAINED FROM THEIR SYSTEM AT THE TIME AMADEUS BUILDS THE AVAILABILITY OR SCHEDULE DISPLAY REQUESTED.
- AMADEUS THEN INCORPORATES THE AIRLINE'S RESPONSE IN THE DISPLAY.
- THIS WAY, EVERYTIME AMADEUS RECEIVES THE AIRLINE'S RESPONSE, QATAR AIRWAYS PROVIDES WITH LAST SEAT AVAILABILITY WHICH CAN BE VERIFIED BY WATCHING THE “/” SHOWN JUST BEFORE THE CITY PAIR IN THE DISPLAY.

BENEFITS:

- Maximize sales opportunities
- Increase flexibility
- Avoid lost sales
- Posting Level is 100%
- Accurate & Last seat availability for Amadeus Users.
