Amadeus introduces Advanced Amadeus Professional!

A solution to automate the Process to include Service Fee in an E Ticket ITR.

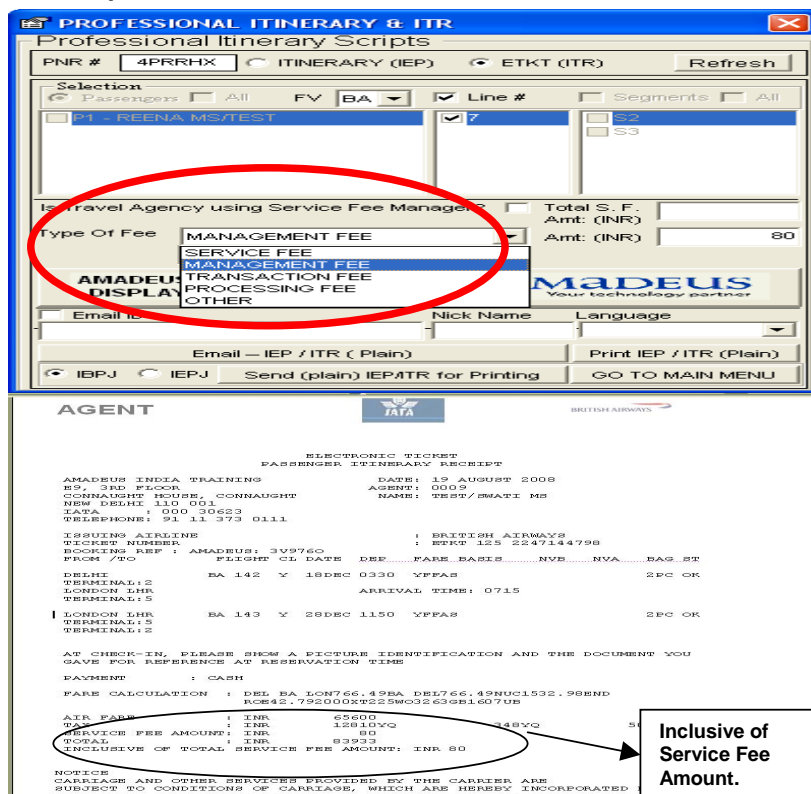

With Advanced Amadeus Professional, the agent will be able to generate an ITR with Service Fee amount.

There will be multiple options for a Travel Counselor to select the type of Fee, for e.g. Service / Transaction / Management / Processing Fee. Also there will be an option for him to enter the type of fee in the free flow text box.

The same amount is captured and incorporated in the E ticket ITR.

Features & Benefits

1. Can work with Amadeus Service Fee Manager
2. Is flexible, allows the users to input free format text
3. Transaction Fee, Management fee & Processing fee can be separately displayed on the Eticket ITR
4. Fee is not reported to BSP
5. Product is fully integrated with Amadeus Professional – which prints and displays branded and professional Itineraries, Eticket ITRs and APIS information
