Please find below guidelines for advance passenger information:

ADVANCE PASSENGER INFORMATION

Brief Overview

Advance Passenger Information is required to provide Passenger Travel Documents and Address details. The user can advise the following information to the Airline that can be saved in a PNR, i.e.

- SR DOCS - Passport Information
- SR DOCO - Visa Information
- SR DOCA - Address Information

Guidelines for Advance Passenger Information

1. The Amadeus Professional Script should be available on the terminals of Travel Counselors.
2. APIS information, i.e. DOCS, DOCO, and DOCA should be incorporated in the PNR before issuing Air China tickets.
3. Integration of passenger information is required by the Airline
4. The Travel Counselor may use the Graphical User Interface to incorporate APIS entries in a PNR
5. Amadeus India provides a GUI based application, so that the Travel Counselors don't have to perform any complicated entries to incorporate APIS information as required by the authorities, thereby making all this process simple and most easy to use

Product Working

1. The user will invoke the script through Local Scripts of Amadeus Selling Platform and select the APIS option
2. This will have further have an interface to update the following information, such as: DOCS (Passport Information)/ DOCO (Visa Information)/ DOCA (Address Information)
3. The user can fill in the required details and submit the same, which will be automatically saved into the PNR.

DOs & DONTs

1. Travel Agencies to mandate the procedure for all their Travel Counselors to advise DOCS, DOCO, DOCA information that is required by the Airline in the PNR
2. Amadeus Selling Platform and MS Office should be available on the terminals for Amadeus Professional
3. Travel Counselors to provide APIS information before issuing an Air China ticket
